SCAVOLINI

Playful and free, the open-planned 'Tetrix' kitchen designed by Micheal Young is innovative and yet perfectly functional.

> *An increasing number of Indian clients now want homes with free-flowing rooms. And so, a kitchen no longer feels like a domestic work area; rather, it is an extension of the larger home environment.*
> —ARATI KHANNA JUNEJA, ITARA DESIGNS

⟨OXO

The OXO stainless steel utensil holder and the variety of utensils are available through *premiumhomeware.com*. The holder has a capacity to hold over 16 large-handled tools.

BEDBATHMORE.COM

Trudeau's multicolour stainless steel pot clip has an arched slot to hold the handle of the spoon and can be attached to the edges of saucepans and cooking pots.

HACKER

The drawers from the Sensomatic range just need a slight touch to open seamlessly and elegantly with illuminating LED lights timed to shut down in two minutes or when the drawer is closed.
